## Urban Crew and JLT trip!

Last Friday, our amazing Urban Crew and environment JLTs attended a Careers in Carbon free event at Manchester Youth Zone. This free workshop was organised by **FEC** and the children learnt about many different ways we can look after our planet including: planting our own crops, buying local produce to reduce our carbon footprint/ miles, and how to generate electricity through different sources e.g wind energy, solar energy, hydropower and bio energy. The children represented Charlestown beautifully as they always do! Mrs McConnell and I (Mrs Haigh) were so proud of them.

## Sports News!

What a week for sports!!

The boys football team kicked off the week with the MCFC Premier league stars tournament. After playing some great football, they missed out on a place in the finals by a couple of points.

On Tuesday, both our girls football teams took part in tournaments at the same time at different venues. One at MUFC and the other at MCFC. Both teams did amazing.

Our MUFC team unfortunately lost on penalties in the final after going undefeated all morning. This meant they missed out on the grand finals. However, the MUFC coaches were so impressed, they said there's a chance we could still go to the finals as best runners up.

Our MCFC team fought hard against some tough opposition given their all in every game. Unfortunately, like the boys, they missed out on qualifying for the finals by a couple of points.

Finally, last night, more of our amazing children competed in another dodgeball tournament.

After 8 gruelling games, both teams finished in the top 3 of the school values competition. This, in itself, is a fantastic achievement as other schools marked the teams based on honesty, teamwork, respect, passion and determination.

As one of our teams finished 2nd, it means they've qualified for the grand finals. We are as always extremely proud of all the children who have represented the school this week. Well done!!

**Thank you to everyone for your help and support whilst we continue to keep the children safe in the area outside school. We are working alongside the City Council to make it even safer.**

Thank you for not parking on double yellow lines and also for not stopping on the road outside on the bend for children to get out. It is your responsibility to get children across the road and we would encourage you not to do this ON the bend, whilst many drivers are considerate, it only takes one to cause an accident.

**Coming up this term**

Young Voices concert  
Year 2 Lake District trip  
Break up for half term

Tuesday 6th February

Wednesday 14th February

Friday 16th February
