

Reading - Task 2

Re-read [Beegu](#). Which order do these events happen in the text?

Put the events in the order that they happened. Use the numbers 1, 2, 3, 4 and 5.

	Beegu ventures into the city and makes friends with some puppies.
	She asks the rabbit, trees and leaves for help.
	She then meets some children in a playground but is thrown out by an adult.
	Beegu crash lands on Earth.
	Finally, her parents rescue her and Beegu leaves Earth with fond memories of the children who looked after her.
