

Year 2 Home Learning Grid

Creative	Mathematical/logical	Physical	Discussion
<p>Design your own castle flag.</p> <p>Using creative materials from around your home, design a flag for your own castle.</p> <p>What symbol would be on it? What colours will you use? What material will it be made from?</p>	<p>Logic</p> <p>If</p> $\square + \square + \square = 18$ $\bigcirc + \bigcirc = 18$ <p>Work out</p> $\square + \bigcirc$	<p>Make a new dance!</p> <p>Put your best moves into a new dance routine and teach it to someone else in your house.</p>	<p><i>Ask these thinking questions to different people – there's no right or wrong answer just great conversations!</i></p> <p>If you could ask an animal a question, what would you ask?</p>
<p>Dragon description</p> <p>Draw or make your own dragon and write some expanded noun phrases to describe it.</p> <p>Eg. the dry, diamond shaped scales</p>	<p>How many squares are hidden?</p> 	<p>Yoga</p> <p>Search 'Yoga for Kids' on Youtube and click the video by 'Storyhive'. Follow along and get flexible!</p> 	<p>How would you describe a perfect day for you?</p>
<p>Design a Classroom</p> <p>If you could redesign our classroom, what would it look like? What would you keep the same? What would be different?</p> <p>Draw and label your ideas.</p>	<p>Hit the Button</p> <p>Use Hit the Button 3 times this week to practice your Number Bonds to 20.</p> 	<p>Plant spotting</p> <p>Have a look outside your house and see what plants you can see. Can you find their names? Draw and label them.</p>	<p>Would you rather be invisible or be able to fly? Why?</p>
<p>Practice your handwriting with the first 100 high frequency words. Can you put these into sentences when you have practised these words?</p>
