Dear parents and carers

## Happy New Year!

It has been 3 years now since I became Headteacher here at Charlestown and whilst those years have not been the most 'normal' years to lead a school in, they have been very enjoyable, and we have continued to work hard to improve our quality of education and the services we offer to you year after year.

This month, we will be relaunching weekly homework expectations. Thank you for filling in the questionnaire. Please look out for more information on this towards the end of the week.

We will also be relaunching the weekly paper newsletter to ensure that you do not miss out on any information.

Look out for both in the coming days!

Have a great week everyone

Yours sincerely

Allison Collis  
Headteacher
