## Safeguarding update

### Morning Drop-Off

Please be aware that our playgrounds are not supervised by our staff in a morning, your children should be supervised from when they arrive until the doors open. We have noted that an increasing amount of children are not accompanied by an adult. The gates open at 8.20am but you must stay with your child until the doors for classrooms open at 8.40am. **Please be mindful that It is not the responsibility of our parent volunteers to collect children at the end of the day.**

Thank you for your help with this.

## Keeping Safe Workshops

This week, all classes have taken part in 'Keeping Safe' workshops.
