STAY SAFE

As we all enjoy our well-deserved half term break,
we want to see all of our children back in school
safe and well after the holidays. Please remind
your children about being safe near roads and near
water and not to talk with strangers. Online safety
is as important too; take a moment to check
the settings on devices to ensure that they are only
accessing age appropriate content. Stranger
danger is becoming a big deal
online - be sure to know who your
children are engaging with. **If you
need support with settings and
parental controls, please contact
us.**
