**Do you know what your child is doing on their phone?**

**Did you know SnapChat and TikTok are for children aged 13+?**

Currently, we are dealing with many online issues that are occurring whilst the children are out of school and on their phones. Resolving online issues is taking away from learning time and this is not acceptable.

We urge parents and carers to monitor what their child/ children are accessing on their phones thoroughly and regularly.

We will inform parents and carers of any issues that are raised at school and if necessary will advise you to contact the police for further support.
