Football Frenzy **Mr Garvey's last big match!**

Our boys football team had two league games this week. On Tuesday, they put in an impressive display against a tough, Christ the King, team. The game finished at 2-2. The following night, the boys took to the field again, this time against St Ann's. The boys put in a dominate performance winning the game 7-0. Well done to all the lads!

On Thursday afternoon, our North Manchester Champions rugby team took part in the Manchester Grand Finals. After losing by one try in both their group games, it meant the team could only finish 5th or 6th in Manchester overall. In what was going to be Mr Garvey's last ever competitive match at Charlestown, the team put in amazing performance winning the game 5-3. Therefore, finishing 5th in Manchester.

Finally, we as a school, we would thank Mr Garvey for all of his hard work and dedication with all the sports teams over the last 10 years. You've inspired so many children by giving them the opportunity to be part of a team that no matter the results, the sense of achievement and memories created will last a life time.
