Year 1 Home Learning Grid 7

Creative	Mathematical/logical	Physical	Discussion
If you were a pirate, what landmarks would you see if you visited each continent? Add to the map you created last week.	Hit the Button We hit the button three times this week to practice your doubles and halves.	Create a path Using chalk, can you draw a path way outside to follow along? Add some challenges like hops or walking backwards.	What would happen if you woke up and the sky was purple?
Create a rainforest. You could use an old shoebox and materials from around the home.	Log onto Active Learn and complete the Sea-shack Smash challenge.	Create your own work out. Use the Fit Dice attached to create your very own workout! Let us know what activities you did and how many times. Write them down, or video them and share with all of us. You could be the next Joe Wicks!	Is it best to live in a city or in the countryside?
What type of foods do animals eat? https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/z96vb9q Create a poster about different animal's diets. Carnivores Herbivores Omnivores Omnivores Herbivores Herbivores Omnivores Herbivores Omnivores Herbivores Omnivores Herbivores Omnivores Herbivores Herbivores Herbivores Omnivores Herbivores Herbivores Omnivores Herbivores Herbivores	Using the digits on a remote control, how many 2-digit numbers can you make? Can you work in a systematic way? Remember to form the digits correctly.	Voga Using the yoga poses attached, practice your yoga. Remember do not move too quickly! It's all about controlling your body and breathing.	What is friendship?

Weekly Challenge: Log on to Active Learn and read one of your books. Then write a few sentences telling Miss Grayshon and Mrs Hancock why you enjoyed your book. Don't forget to share this with us on Twitter @Charlestown_Y1 or email them to us on hancock.v@charlestown.manchester.sch.uk (Team 1) or grayshon.e@charlestown.manchester.sch.uk (Team 2). We love hearing from you!
