Tuesday 14th June 2022

Dear parents and carers,

I need to let you know that I am currently concerned about the recent escalation of children verbally and sometimes physically hurting each other in and out of school. As a result, children will be having an assembly today whereby the school expectations are shared once again, and consequences of negative actions given as a reminder.

From today, should any child verbally or physically hurt another child in school, they will be placed into a reflection space until they are calm. Here they will complete some work around their actions with the adult in the room. You will also be contacted. We will then ask that you meet with the class teacher as soon as possible and complete a 'back on track' plan as per our behaviour policy which can be found on our website.

Good behaviour is essential for learning and life. I am sure that you will support us with this reminder over the coming weeks as all children deserve to come to school and feel safe. If you have any questions about this issue, please do not hesitate to contact me.

Yours sincerely

Allison Collis
Headteacher
