

Charlestown Community Primary School and Nursery

Wednesday 6th July 2022

New areas in school from September

In September, not only do we have the new start and finish times, but we are shaking things up a bit too! Our phases will change slightly, and all children will be learning in new areas known as; Explorers, Discoverers, Adventurers and Pioneers! Please see below to see how this works and what this will mean for your child's development. We will be sharing this with the children in the coming weeks.

<p>Phase 1 Nursery to Year 1</p>	<p>Explorers - Phase 1. This the start of your Charlestown journey. Here you meet new friends and learn how to play and explore together. You have many of your interactions through play. You uncover the wonderful world of letters, sounds and numbers and start to make sense of the world around you. You explore being creative, learn how to stay safe but also how to take risks in your learning and start to learn how to be respectful and responsible individuals.</p>
<p>Phase 2 Year 2 to Year 3</p>	<p>Discoverers – Phase 2. This is the development part of your journey. By phase 2, you are learning and discovering new knowledge and skills every day. You are using your imagination to start writing fantastic stories and are beginning to solve tricky problems in Maths and science by developing your resilience. Having learnt your phonics, you are now beginning to read fluently and find out amazing things about the wonderful world that you live in. By now, you have discovered how to keep yourself and others safe, understand the importance of different rules and you are working towards being a great team member who is a responsible and respectful Charlestown citizen.</p>
<p>Phase 3 Year 4 to Year 6</p>	<p>Pioneers – Phase 3. This is the empowering part of your journey. By phase 3, you are developing and embedding fluent reading skills ready to become lifelong learners with great ambition and resilience. Reading has set you free to achieve anything you want to. Taking responsibility for your own attitude, learning and behaviours will now enable you to thrive. You also know that mistakes are accepted and respected and help you to learn. You are a great team player and opportunities to become great leaders start here. You are the future. You are pioneers, preparing the way for others to follow. Dream big and aim high!</p>
<p>The ARC</p>	<p>Adventurers The ARC are adventurous explorers, discoverers and pioneers. In the ARC, every child is on a different and personal adventure, all taking different routes along the way. The Adventurers learn to be responsible for their learning and learn how to stay safe along the way. Adventurers have more captains and guides to ensure they reach their destination safely and successfully, ready for their next quest and empowering adventurers to thrive.</p>

If you have any questions about any of the following, please do not hesitate to let me know.

Yours sincerely

Allison Collis

Pilkington Road, Blackley Manchester M9 7BX
