

Charlestown Community Primary School and Nursery

Autumn 2022

Dear parents and carers,

Please find below the results of our questionnaire, completed at parents evening in October. 106 copies were analysed in total. 6 responses were removed from the question 'my child has been bullied' because the answer to the next question 'my child has not been bullied' contradicted the first answer! I will send another questionnaire out about this separately, so your help with this will be much appreciated.

Lots of people did not realise that there were questions on the back of the form so the numbers do not total 106 towards the bottom! We will ensure we get your feedback on these at the next parents evening in March.

Your feedback really does help improve the school. To keep this letter as short as possible, I will send more information out detailing our current work and what we intend to do as a result of your feedback.
